STATEMENT OF FACTS
UNDER 37 C.F.R. § 1.705(b)(2)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This Statement of Facts is being submitted in support of the "Request For Reconsideration of Patent Term Adjustment Indicated in Notice of Allowance" which is submitted herewith.

The patent term adjustment shown on the Determination of Patent Term Adjustment under 35 U.S.C. § 154(b) attached to the Notice of Allowance is 0 (zero) days. It is respectfully suggested that the correct patent term adjustment is 657 days.

37 C.F.R. § 1.705(b)(2)(i), (ii) and (iv)

The bases on which Applicants seek adjustment are as follows:

I. Period for adjustment pursuant to 37 C.F.R. § 1.703

37 C.F.R. § 1.702(b) provides for grounds for adjustment of a patent term if the USPTO fails to issue a patent within three years of the actual filing date of the application. 37 C.F.R. § 1.703(b) provides the period for adjustment under 37 C.F.R. § 1.702(b).

This patent application was filed on September 29, 2000. The 3-year anniversary of the filing date is September 29, 2003. Since the issue fee is being paid concurrently with this filing, any patent issuing from this application will not issue within three years of September 29, 2003. Assuming that the patent issues on the Tuesday that is 28 weeks from the mailing of the Notice of Allowance mailed on April 14, 2005, then the patent would issue on October 25, 2005. Accordingly, the period for adjustment under 37 C.F.R. § 1.703 is 757 days.

II. Reduction of period for adjustment pursuant to 37 C.F.R. § 1.704

The period for reduction of period of adjustment of patent term is specified in 37 C.F.R. § 1.704. It is determined as follows:

(1) In response to a Notice to Comply with Sequence Listing Rules mailed on December 17, 2001, Applicants filed a Response on January 29, 2002. In response to a Notice of Incomplete Response to Sequence Listing Rules Request mailed on March 21, 2002, Applicants filed a Response on April 12, 2002. The reduced period for adjustment for these Responses is believed to be 37 days.

(2) In response to a Restriction Requirement mailed January 16, 2003, Applicants filed an Response on March 17, 2003. The reduced period for adjustment for this Response is believed to be 0.

(3) In response to the non-final Office Action mailed June 3, 2003, Applicants filed an Amendment on September 3, 2003. The reduce period adjustment for this Amendment is believed to be 0 days.

Applicants note that the PAIR Patent Term Adjustment Report (attached hereto as Exhibit 1) erroneously states that the Amendment was filed on March 1, 2004. Copies of the following documents provide evidence that the Amendment was filed on September 3, 2003:

(1) USPO Express Mail Label bearing the "Date In" and date stamp of September 3, 2003 (attached hereto as Exhibit 2); and, (2) the postcard bearing the OIPE date stamp of September 3, 2003 (attached hereto as Exhibit 3).

(4) In response to a Notice of Non-Compliant Amendment mailed June 1, 2004, Applicants filed a Response on June 28, 2004. The reduce period adjustment for this Amendment is believed to be 0 days.

(5) Applicants submitted an IDS on August 25, 2004. The reduced period of adjustment for this submission is believed to be 58 days.

(6) In response to the final Office Action mailed September 29, 2004, Applicants filed an Amendment on January 3, 2005. The reduce period adjustment for this Amendment is believed to be 5 days.

(7) In response to the Advisory Action mailed March 7, 2005, Applicants filed an Amendment on March 25, 2005. The reduce period adjustment for this Amendment is believed to be 0 days.

(8) In response to the Advisory Action mailed January 18, 2005, Applicants filed an Amendment on February 24, 2005. The reduce period adjustment for this Amendment is believed to be 0 days.

The total reduced period for adjustment pursuant to (1)-(8) above is believed to be 100 days.

III. Period for adjustment

Since the period for adjustment is 757 days and the reduction of the period for adjustment is 100 days, *Applicants submit that the Patent Term Adjustment on the Notice of Allowance should be 657 days, not 0 days.*

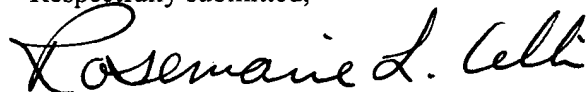

37 C.F.R. § 1.705(b)(2)(iii)

Any patent granted on this application (37 C.F.R. 1.705(b)(2)(iii)) is not subject to a terminal disclaimer.

Conclusion

Applicants request that the USPTO acknowledge the error in the Determination of Patent Term Adjustment mailed with the Notice of Allowance, and further change the determination to indicate that the Patent Term Adjustment is 657 days, instead of 0 days.

Respectfully submitted,
